DETAILED ACTION

The indication of allowability set forth in the previous action is withdrawn and prosecution is reopened in view of the following new ground of rejection.

Claims 5 and 7-15 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

a). Claim 5, line 2 recites "a vinyl ether of the general formula (I)", however, claim 5, line 9 recites "the vinyl ether (II)" which is inconsistent therewith.

b). In claim 8, line 5; and claim 10, second line from the bottom, "the " as in "the purified alcohol" and "the purified vinyl ether" should be deleted respectively so as to provide proper antecedent basis for the above limitations in the claim.

c). Claim 14 and claim 15 recite the limitation "the vinyl alcohol" in lines 2 respectively. However claim 1, the claim from which they depend, simply recites "alcohol" providing for ambiguity in the claims.

Claims 5 and 7-15 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
